关于第二十二届世界中医药大会论文摘要汇编

采用电子版的通知

尊敬的各位专家、参会代表：

为积极践行“绿色会议”理念，推动大会绿色低碳转型，减少资源消耗与碳排放，第二十二届世界中医药将对论文摘要汇编形式进行重要优化。

自本届起，大会论文摘要汇编将由传统的纸质版全面转换为电子版。这是本届大会推动可持续发展、减少碳足迹的一项具体且可量化的有力举措。据估算，此举将节约大量纸张、油墨及物流资源，显著降低大会的环境影响。

电子版摘要汇编将发布於大会官方网站专设的【论文摘要电子汇编】专区，您可随时在线浏览、检索、下载及分享。此举不仅环保，亦将提升学术资源的传播效率与获取便利性。

我们深知部分专家可能需要纸质文件用于项目申报或成果存档等用途。如有此需要，请通过电子邮件联系大会组委会（邮箱：wccm@vip.163.com），我们将为您提供必要的协助。

感谢您对大会绿色环保行动的理解与大力支持。让我们携手，为中医药事业的可持续发展及全球环境保护贡献一份力量。

顺祝安康！

特此通知。

第二十二届世界中医药大会

The 22nd World Congress of Chinese Medicine

Notice on the Adoption of Electronic Version for the Abstract Compendium of the 22nd World Congress of Chinese Medicine

Dear Experts and Participants,

In active pursuit of the "Green Conference" initiative and to promote the green and low-carbon transformation of the congress, by reducing resource consumption and carbon emissions, the 22nd World Congress of Chinese Medicine will implement a significant optimization to the format of its abstract compendium.

Starting from this session, the Congress abstract compendium will be fully transitioned from the traditional printed version to an electronic version. This serves as a concrete and quantifiable measure by the Congress to promote sustainable development and reduce its carbon footprint. It is estimated that this move will save a significant amount of paper, ink, and logistics resources, substantially lowering the environmental impact of the event.

The e-compendium will be published in a dedicated **E-Abstract Compendium** section on the official Congress website, where you can browse, search, download, and share the academic content conveniently at any time. This initiative is not only environmentally friendly but also enhances the dissemination efficiency and accessibility of academic resources.

We fully understand that some experts may require a printed version for purposes such as project application or achievement archiving. Should you have such a need, please contact the Congress Organizing Committee via email (Email: wccm@vip.163.com), and we will provide necessary assistance.

Thank you for your understanding and strong support for the Congress's green initiatives. Let us work together to contribute to the sustainable development of Chinese medicine and global environmental protection.

Best regards,

The Organizing Committee of the World Congress of Chinese Medicine
